EXCLUDED: Other County employees and all those excluded by Iowa Code section 20.4."

ARTICLE II INTENT AND PURPOSE

It is the intent and purpose of the parties that this Agreement shall promote and improve the mutual interest and economic relationship between the County and the Union and shall set forth herein rates of pay, hours of work, and other agreed upon items to be observed by the parties.

It is recognized by both parties that they have a mutual interest and obligation to maintain friendly relations and a cooperative spirit and to thereby promote safe, economical, and efficient governmental operations."

ARTICLE III DEFINITIONS

Full-time employee means an employee hired to work the normal full-time schedule of at least 37.5 hours or more per week on a regular basis.

Part-time regular employee means an employee hired to work fewer than the normal regular full-time hours described above on a regular basis. Part-time regular employees are not eligible for any benefits described in this contract, unless otherwise indicated.

Nothing in this contract shall be construed as a guarantee of the number of hours an employee will be scheduled to work."

ARTICLE IV HOURS OF WORK AND PAY PROCEDURES

1. Work Schedules

Daily and weekly work schedules may be changed at the discretion of the appropriate Employer representative to meet varying conditions and workload. If an employee's department requires 24-hour coverage, employees may be required to work rotating shifts. Weekly schedules for part-time employees will be determined by the appropriate Employer representative.

2. Payday

Employees are normally paid by the end of the working day every other Friday. If a regular payday falls on a holiday, employees usually will be paid on the previous regular work day.

3. Pay Period

The pay period commences at 12:01 a.m. Friday and ends at 12:00 midnight the **second** following Thursday.

4. Recording Work Hours

All employees must accurately record their hours worked for each pay period on a form provided by their department head or supervisor.

5. Deductions

All required deductions, including those for state and federal taxes and all authorized voluntary deductions, such as health insurance contributions, will be automatically withheld from an employee's paycheck."

6. Overtime and Compensatory Time

Periodically, overtime work may be necessary to maintain County operations and services. The department head in each office shall determine whether it is necessary for employees to work overtime hours. All overtime hours must have prior approval from the department head. Employees who are unable to use compensatory time despite diligent efforts to do so shall be paid for overtime when they exceed the FLSA cap.

Employees who normally work 37.5 hours per week and who are paid on a salary basis will receive compensation at straight time for hours worked in excess of 37.5 up to 40 hours either in pay or in compensatory time off. If employees are classified as nonexempt employees, employees will receive compensation for approved overtime at the rate of time and one-half for

each hour worked over 40 hours in the work week. Each department head may elect to grant compensatory time in lieu of overtime pay. In accordance with the Fair Labor Standards Act, if the department head elects to grant compensatory time in lieu of overtime pay, compensatory time will be granted at a rate of one and one-half (1 1/2) hours for each hour of authorized overtime worked.

An employee shall be permitted to use accrued compensatory time within a reasonable period after requesting to use compensatory time if use of compensatory time would not unduly disrupt the department's operations. Upon termination, payment for accrued compensatory time shall be calculated at the employees final regular rate of pay.

Paid leaves, holidays, or other paid non-work time shall not be counted as work time for purposes of determining overtime.

ARTICLE V WAGES AND LONGEVITY

Wages shall increase 4.0% for the 2005-2006 contract year. Wages shall increase 3.25% for the 2006-2007 contract year.

ARTICLE VI REDUCTION IN FORCE

If, in the judgment of the County, it becomes necessary to reduce the number of employees, layoffs will be accomplished by job classification. The job classifications are Treasurer: Assistant Tax, Motor Vehicle Assistant, Driver's License Clerk, Driver's License Examiner; Recorder: Clerk; Auditor: Data Processing; Janitorial: Head Custodian, Custodian. Within a job classification, due consideration will be given to credentials, and past performance

in selecting the employee who will be laid off. Where credentials and past performance within a job classification are equal, the employee with the least continuous length of service shall be laid off first. In the event two or more employees have the same continuous length of service, the employee with the lower last four digits of their social security number shall be deemed to have greater full time continuous length of service. Employees on layoff are not eligible for holidays, vacation, sick leave, or County group health insurance programs. County-paid medical insurance coverage terminates on the next premium due date. However, the employee may be eligible to continue coverage at his or her own expense.

Employees will be notified of recall by certified mail sent to the last address provided by the employee to the employer. If an employee does not return to work within three working days of mailing of the notice to report to work, his or her employment will be terminated, unless other arrangements have been made in advance with the department head. Employment of employees who are not called back to work within twelve months will be terminated.

ARTICLE VII TIME OFF BENEFITS

1. HOLIDAYS

Holidays Observed

Crawford County recognizes certain days of importance as holidays and pays employees for time off on those days in accordance with eligibility rules explained in this section. Crawford County observes the following holidays: New Year's Day, Martin Luther King Day, President's Day, Memorial Day, July 4th - Independence Day, Labor Day, Veteran's Day, Thanksgiving, Day after Thanksgiving, and Christmas. When Christmas Eve falls on a Monday through Thursday, Christmas Eve afternoon (commencing at 12:00 p.m.) shall be observed as a holiday. Only full-time regular employees are eligible for paid holidays. Part-time employees are not eligible for holiday pay. For purposes of this section, holiday pay will be in the amount of the employee's normal daily work hours times the employee's straight time hourly wage rate.

Pay For Holidays Not Worked

Full-time regular employees who do not work on a holiday listed above will receive "holiday pay" computed at one time their hourly wage rate. "Holiday pay" is the amount a full-time regular employee would have received for working on the holiday, not an amount in addition to regular pay. Depending on the services provided by an employee's department, employees may be required to work on a holiday.

When a Holiday Falls on a Saturday or Sunday

Holidays falling on a Saturday are normally observed on the preceding Friday. Holidays

falling on a Sunday are normally observed on the following Monday. However, employees whose normal schedule includes weekends will observe the actual holiday.

Eligibility for Holiday Pay

To be eligible for holiday pay, employees must work their regularly scheduled hours the workday preceding and the workday following the holiday.

Excused Absence Before or After Holiday

If employees are absent due to illness or jury service on the day before or after a holiday, employees must present proof of illness or jury service satisfactory to their department head in order to be eligible for holiday pay.

Holidays During Paid Leave

If a holiday falls during an employee's vacation or any period of approved paid sick leave, it will be counted as a holiday and will not be deducted from an employee's accumulated vacation or sick leave.

Holidays During Unpaid Leave

Employees on an unpaid leave of absence at the time a holiday occurs will not be paid for the holiday.

2. VACATION

Eligibility

Full-time employees who are actively employed are eligible for paid vacation based upon years of continuous full-time service according to the following schedule.

<u>Length of Continuous Service</u>	<u>Vacation Allowance</u>
After one year	Five days
After two years	Ten days
After ten years	15 days
After 15 years	20 days

Part-time employees are eligible for prorated vacation pay based on the employee's normal hours of work. For example, an employee who is normally scheduled for 20 hours per week with ten years of service is eligible for 50% of the full-time vacation allowance or 7 1/2 days. If the status of a part-time employee changes to full-time, the employee will retain vacation earned while a part-time employee, and will begin to earn the full-time vacation allowance on the

first day of full-time employment. For example, the vacation allowance of an employee with ten years of part-time service and one year of full-time service is 12 1/2 days.

Scheduling Vacation

Vacations may be taken as weekly periods, or individual days as long as the increments chosen meet with departmental approval. Vacations not exceeding 2 consecutive days shall ordinarily be preceded by at least 24 hours notice. For vacations longer than 2 consecutive days, ordinarily at least 14 days notice shall be given. Vacation preferences are subject to staffing requirements as determined by the employee's department head.

Carryover

Vacation leave may be accumulated to a maximum of ten days with supervisor approval. Unused vacation above the ten day maximum will be forfeited. Provided however, if an employee is unable to use their vacation because of employer work requirements, a reasonable extension will be granted but not to exceed two months.

Vacation Pay Upon Termination

Employees will be paid for accrued, unused vacation at termination according to the terms of this policy. During the first anniversary year of employment, an employee is not eligible to earn pro rata vacation time and pay. During subsequent anniversary employment years, a regular full-time employee can earn pro rata vacation time and pay based upon straight time hours worked if at least 1,200 hours are worked. Paid leave time such as sick leave, vacation time, and recognized holidays are not considered as time worked in computing pro rata vacation.

All employees who work 1,800 straight time hours in an anniversary year after completing one full year of employment shall be entitled to 100% of vacation time and pay.

Accrual of Vacation During Unpaid Leaves

Vacation does not accrue during unpaid leaves of absence.

3. SICK LEAVE

Eligibility and Accrual

Full-time regular employees accumulate paid sick leave at the rate of one day and one half per month, up to a maximum accumulation of 90 days. Full-time regular employees start to earn sick leave from their most recent date of hire; however, sick leave may not be used until the employee has completed at least two full pay periods. Sick leave does not accrue during unpaid leaves of absences.

Part-time regular employees are eligible for prorated sick leave based on the employee's normal hours of work.

Conversion of Unused Sick Leave

When an employee has accumulated the maximum of 90 days of sick leave, the employee may continue to earn sick leave which may be exchanged for vacation on an annual basis in the following manner: Each five days of sick leave earned in excess of 90 days but not used may be exchanged for one additional day of vacation.

Use of Sick Leave and Medical Certification

Sick leave is to be used for any non work-related illness, injury, or temporary disability, including pregnancy, that prevents employees from performing their job duties. If it is not possible to schedule dental or medical appointments outside of their work day, an employee's department head may authorize use of sick leave for these appointments. Medical certification may be required to determine that an employee claiming sick leave is unable to work. Medical certification satisfactory to the County also may be required to verify fitness for duty following the employee's use of sick leave.

Notification of Illness

In the event employees must use sick leave, employees must notify their supervisor on duty at least 30 minutes before their scheduled reporting time, and indicate the nature of the illness and the expected duration of their absence.

Holidays During Sick Leave

If a holiday falls while employees are on a paid sick leave day, employees will be paid holiday pay and the day will not be deducted from their accumulated sick leave.

Abuse of Sick Leave

If sick leave appears to be abused, the employer may require the employee to submit competent proof of the necessity for such absence.

Work-Related Injuries

To provide for payment of an employee's medical expenses and partial salary continuation in the event of a work-related injury or illness, employees are covered by workers' compensation insurance. The amount and duration of benefits payable depend on the nature of their injury or illness. If employees are injured on the job, employees must notify their department head immediately.

Before returning to work, an employee who has been receiving workers' compensation benefits must submit evidence satisfactory to the County that the employee is safely able to return to work.

4. FAMILY AND MEDICAL LEAVE

The parties agree to comply with the provisions of the Family and Medical Leave Act of 1993.

5. UNPAID LEAVES OF ABSENCE

Unpaid leaves of absence may be granted in certain circumstances. If employees have exhausted all applicable sick leave, vacation, compensatory time, and FMLA leave, employees may request an unpaid leave of absence. Applications for unpaid leave must be made in writing and shall state the reasons for the leave and inclusive dates. Approval of unpaid leave is at the discretion of the department head.

Employees who are disabled because of pregnancy, childbirth or related medical conditions who are not eligible for leave under the Board's sick leave or Family and Medical Leave Act policies, or who do not have sufficient leave available under those policies, may apply for an unpaid leave for the period of the disability, or up to eight weeks, whichever is less, as provided in Iowa Code section 216.6(2)(e), as it currently exists or is hereafter amended. The department head may require medical certification stating that the employee is not able to perform the duties of employment.

During an unpaid leave granted under this section, employees do not receive compensation, do not accrue length of service, vacation or sick leave, and are not eligible for paid holidays.

The Board does not make contributions to retirement programs for the duration of the leave. Employees may continue in the group health program during an unpaid leave under this section by paying the full cost of the premium by the first of the month for the following month's coverage. Failure to pay the premium on time will result in termination of coverage.

Return to Work

If employees plan to return to work following an unpaid leave taken under this section, employees must notify their department head before the end of their leave. If the leave was for anything other than medical reasons or military service, the department head will attempt to restore employees to the position the employee held at the start of the leave, or in a comparable position, if possible. If no such position is available, their employment will be terminated.

If the unpaid leave was for medical reasons, an employee may be required to submit to fitness-for-duty testing before returning to work.

If the unpaid leave was for military service, reinstatement will be governed by applicable state and federal law.

Requests for extension of an unpaid leave must be submitted in writing to the employee's department head. Approval of the extension is at the discretion of the department head.

6. BEREAVEMENT LEAVE

Regular full-time employees who have completed at least six months of service will be granted a leave with pay in the event of a death in the family according to the following guidelines:

Up to four days in the event of the death of the employee's spouse, child, parent;

Up to three days in the event of the death of the employee's, sister, brother, grandchild, mother-in-law, father-in-law, son-in-law, or daughter-in law;

Up to one day in the event of the death of the employee's grandparent, sister-in-law, brother-in-law, uncle, aunt, niece or nephew.

If the employee serves as an active pallbearer and/or honor guard, he will be permitted to be absent from work without loss of pay for that period of time reasonably necessary to perform this duty, not to exceed one (1) day.

Seasonal part-time employees who have completed at least six months of service will receive full time bereavement leave during the season in which they work full time. During the remainder of the year, they will receive regular part-time benefits.

Regular part-time employees who have completed at least six months of service will be granted a leave with pay according to the following guidelines:

Up to eight hours in the event of the death of the employee's spouse, child, parent, sister, brother, grandchild, grandparent, mother-in-law, father-in-law, daughter-in-law, or son-in-law;

Up to two hours in the event of the death of the employee's sister-in-law, brother-in-law, uncle, aunt, niece or nephew, or if the employee serves as a pallbearer and/or honor guard.

Payment will be made only for those days which employees would have worked. If a death in an employee's family occurs, employees shall promptly contact their supervisor/department head to discuss the expected length of their absence.

Any employee may request additional unpaid leave or accumulated vacation to attend the funeral of a relative or friend, subject to the approval of the supervisor/department head.

7. JURY AND WITNESS DUTY

Any full-time or part-time regular employee required to report for jury duty shall receive a paid leave of absence for the time spent on duty subject to the following limitations.

All employees summoned to jury duty must submit a copy of the summons to their supervisor within two working days after receiving the summons. All employees on jury duty are

expected to promptly return to work when released from service, either permanently or temporarily.

The Employer will continue an employee's regular salary during paid jury leave, but employees must submit certification of the number of hours spent in jury service and assign any compensation employees receive in connection with such duty, less any reimbursement for travel or meal expenses, to the Employer.

Any full-time or part-time employee subpoenaed to appear as a witness in a civil or criminal proceeding in which that employee is not directly involved as a plaintiff or defendant shall be granted a leave without pay. Employees who must appear as a witness in a civil or criminal proceeding in which they are directly involved as a plaintiff or defendant may apply for an unpaid leave of absence. Hours spent by any employee appearing as a witness in any job-related legal proceeding at the direction of the Employer shall be considered to be work time."

8. VOTING LEAVE

The Employer encourages all employees to fulfill their civic responsibilities and to vote in all official public elections. Generally, an employee's working hours are such that employees will have ample time to cast their vote before or after working hours. However, if employees do not have three consecutive non-working hours between the opening and closing of polls in which to vote, employees may submit a written request to their supervisor as soon as possible before the election for paid time off of up to three hours to vote. An employee's supervisor will designate and notify employees of the time employees will be allowed to vote.

1. Health Insurance

All eligible regular full-time employees may participate in our group health insurance program which covers full-time regular employees and their eligible dependents. The insurance program, coverage and eligibility will be subject to all terms and conditions of the contract with the insurance carrier selected by the County. The County will pay a single premium.
